E. INFORMATION:

Warlord Mohamed Farrah Aidid can be located in the area of Garoe. (See map for location) He is traveling more freely now and he has plans to continue to travel. It seems that he moves in and out of Magadishu. He is a man who now wants peace and is willing to work with our President and the United Nations. He will be making a speech shortly and will be out in the open. As long as he is willing to negotiate, he will not be arrested. The country of Somalia will have peace shortly.
